Vinol will Stop a Cough and Break Up a Cold

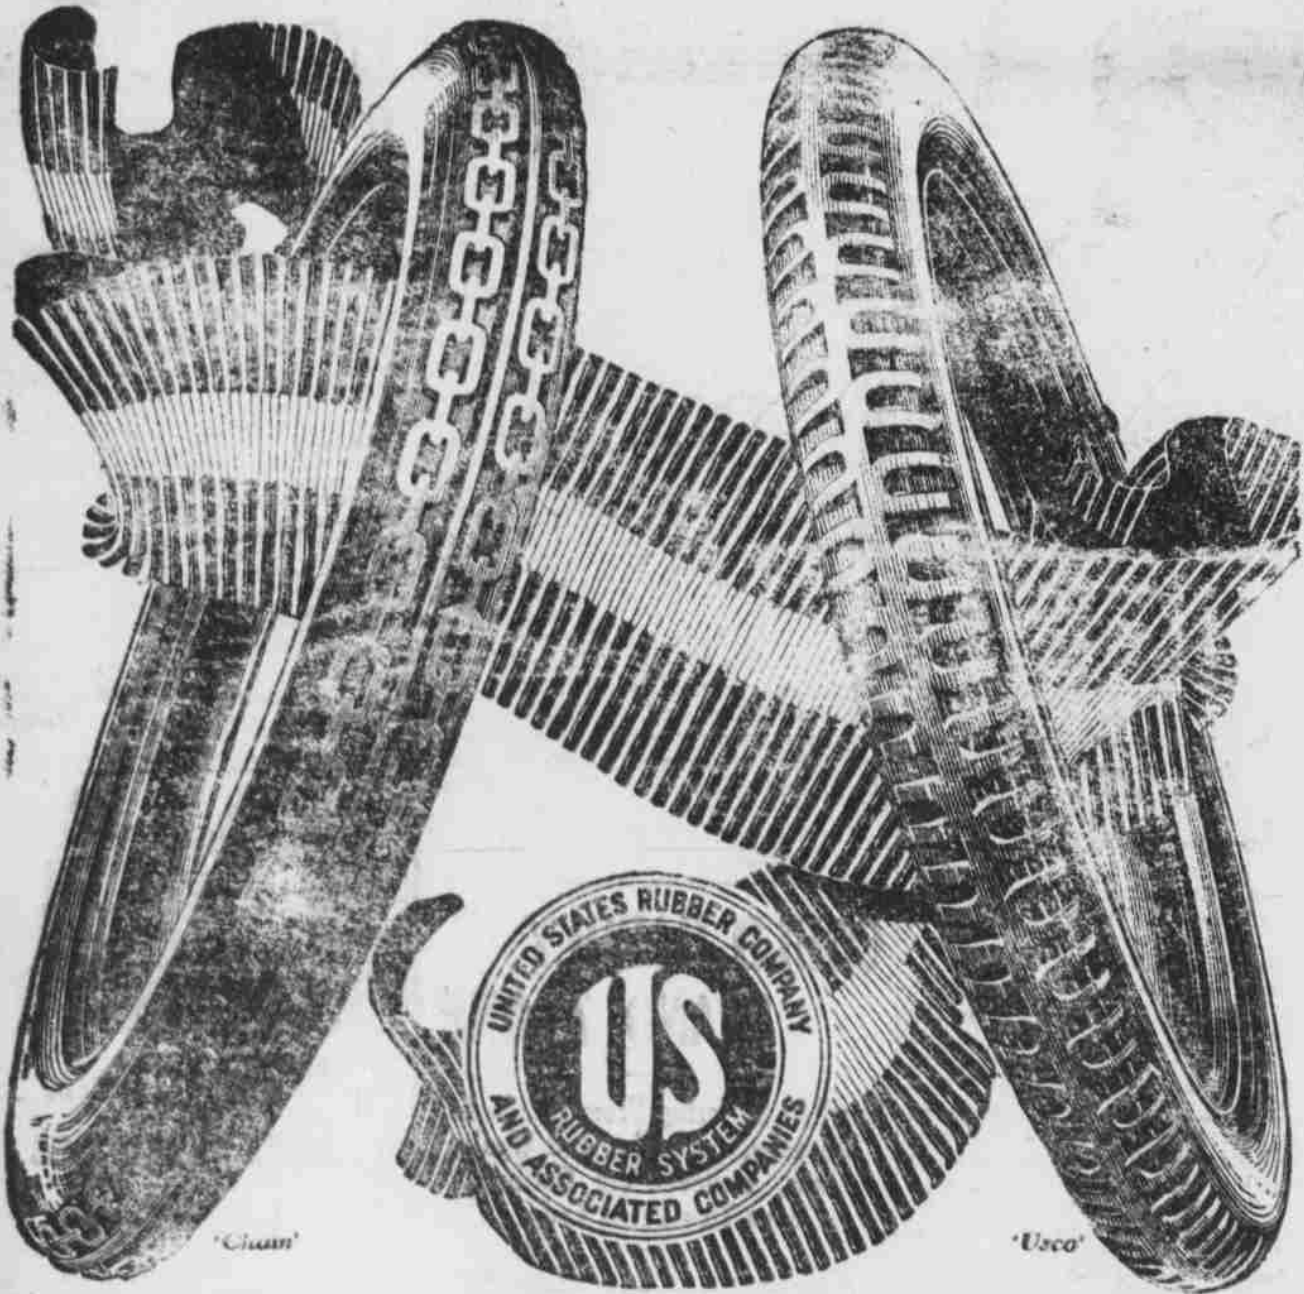

A constitutional remedy that removes the cause by building up the system. These elements contained in Vinol—Beef and Cod Liver Peptones, Iron, Manganese and Glycerophosphates—soon create an energy that throws off the cold and prevents its recurrence. It has given ninety per cent satisfaction for sixteen years. **HERE IS PROOF:**

Dunn, N.C.
"I suffered with a chronic cold for four months, coughed day and night. Had to keep on working when I was not able to. I saw Vinol advertised and tried it, and I want to tell you it just cured that cold in a short time. It made me eat and sleep well, better every day."—J. C. Bagley, Dunn, N.C.

Lagrange, N.C.
"For years I suffered with a chronic cough, so I could not sleep nights and continued to lose flesh. My druggist asked me to try Vinol. It cured my cough, I can sleep nights and have gained twelve pounds. Vinol is the best tonic and tissue builder I have ever taken."—W. D. REX, Lagrange, N.C.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

concerned. In talking with a member of the firm we learned that the distance by the new route to Pine Grove would be lessened and as the upper road has been almost impassable for a long time it seems that the new route should be made a public road. The county assisting in the building. All those who have any business in the Pine Grove section would welcome the change as would those living there who have business in Carrollton, for it has been the case for a number of months that one traveling in an automobile is compelled to travel something like twenty miles from Carrollton to Pine Grove, while the distance on the Carrollton and Columbus road is only twelve miles.

Two more cars of hogs will be shipped from Carrollton today, Monday, on the co-operative plan, which totals twenty-one cars that have been shipped from Pickens county in the last few months. Under the direction of Mr. W. F. Osburn, county demonstration agent, the co-operative plan of shipping has brought thousands of dollars back to the farmers for their swine and not a one has ever raised a word of dissatisfaction. These hogs have ranged in price from 15 cents up to 191-2, those bringing the low price weighing less than one hundred pounds. This number of cars shipped does not cover what has gone out from the county by individuals who shipped car lots, the writer being informed by Mr. Osburn that the grand total is fifty-one cars.

Mr. Sam Phillips, of Brooksville, Miss., has been spending several days in the city on business.

We regret to note the illness of our venerable friend, Mr. W. G. Robertson, who has been confined at his home the past few days. While nearly eight years of age Mr. Robertson is still very active and moves about as one much younger in years. His friends will all wish for an early recovery.

Mrs. Rosa Proctor and little daughter are guests of Carrollton relatives, having joined Mr. Proctor here Sunday.
